## MedQuist Re-launches New, Improved Web Site

Mount Laurel, NJ, September 6, 2007 – MedQuist Inc. (Pink Sheets: MEDQ.PK), the leading provider of clinical documentation workflow technology and services, announces the re-launch of its corporate Web site, [www.medquist.com](http://www.medquist.com). The site has been completely redesigned with assistance from Brulant Inc. online solutions.

According to Scott Bennett, MedQuist senior vice president of Sales and Marketing, “The new, user-friendly medquist.com was developed to complement and support our customer-focused brand identity, with improved navigation, design and content. Site visitors should find it easy to locate the answers to their questions about transcription, dictation, speech recognition and coding with just a few mouse clicks.”

For more information, please visit [www.medquist.com](http://www.medquist.com).

### About MedQuist

MedQuist is a leading provider of clinical documentation workflow solutions in support of the electronic health record. MedQuist provides electronic medical transcription, and health information and document management products and services, including digital dictation, speech recognition, Web-based transcription, electronic signature, medical coding, mobile dictation devices, and outsourcing services.

### About Brulant

Brulant is one of the nation’s pre-eminent online solutions experts, fusing leading-edge technology with breakthrough interactive marketing and creative design. The company was recently ranked by Advertising Age Magazine as the 36th largest interactive firm in the country and the fourth largest in the Midwest.

Headquartered in Cleveland, Ohio, Brulant celebrates a proven track record throughout its core competencies, including interactive marketing and strategy, creative design and usability, technology services, website and portal development, and business intelligence. Brulant’s clients are middle market to Fortune 2000 companies within the consumer products, financial services, healthcare and retail sectors.
